

Dear Parent/Carer

### **Change of Bus Timetables**

We are writing to inform you of timetable amendments to some of the home to school transport routes.

Following parental concerns initially linked to availability of seats and latterly regarding the length of some of the routing, PC Coaches have reviewed the affected routes and made further amendments. PC Coaches are hopeful that the new timetables will provide a suitable solution in terms of travel time, which is comparable to previous timetables operating along the routes.

The attached timetables have been submitted to the DfT and come into force following the Christmas break on the 6<sup>th</sup> January 2025.

Yours Faithfully

SWRA School Office
