If you cannot collect your results

Pupils are strongly recommended to collect their results in person.

If you are unable to collect your results, there are a number of options available to you:

- If you would like someone else to pick up results on your behalf, we require notification of this by 30th June giving the name of your nominated person. They must bring proof of identity on the day as we will not hand results out without this security check.
- We can email results to your school email (which will still be active on results day), this must be requested by 30th June. We will not be able to action any requests to email results after that date. Please email **exams@swracademy.org** from your school email - this will confirm that you are able to access the system.
- Lastly, you can leave a stamped addressed envelope with Reception so that your results can be posted to you.

Results cannot be given out by telephone under any circumstances.

Access to scripts and enquiries about results
